'Be still, and know that I am God. *'Be still'*.

If you and me are too busy worrying about everyday things, then this stops God from working on our behalf. By his power we are assured of God always being there for us but neither does it mean that you and I can be idle; it means doing what we are led to do by God and not doing everything on your own and not listening for his voice to lead you. To wait and not run on regardless we have to stop and take the time to hear God speaking to us. If you wait then the result will be a peace knowing that it has been from God the faith to do the will of the Lord and what has entered your mind through God. *'Let the peace of Christ rule in your hearts, since as members of one body you were called to peace. And be thankful.'* Colossians 3:15).

Ask Him to reveal His will; then *'be still'*, know that God is leading the way and he is aware of what is going on in our lives. *'Know that I am God'*. Psalm 46:10(part) And of course there is only one God. We cannot be God. If we cannot do what is God's will for us and disobey the commands, forget to pray and not know when the time is right for doing right. We do need to set goals and set our sights on being a better person in the world about us we can always have our visions *'where there is no vision, the people perish'*. (Proverbs 29) But the Bible also says, *'The vision is yet for an appointed time though it tarries, wait for it.'* (Habakkuk 2)

Without God's assistance, we will not be able to fulfil any visions. If we let our lives be strong and patient and learn to wait on the Lord's will for us our goals will be met. Therefore, we must *'Be still and Know that I am God.'* and just be still and take time to listen for God.

Heavenly Father, how I praise You for Your Word and the truths that are within its pages. Thank You that You are my ever-present rock of refuge and my never-failing strength and stronghold. Equip me I pray to stand fast against the ways of the world and to trust in Your Word, though the earth be moved and though the mountains be thrown into the midst of the sea, in Jesus name I pray, AMEN.
